TRANSFER ADMISSIONS

THEATER BA PROGRAM

ABOUT THE PROGRAM

For transfers, the Bachelor of Arts in Theater is a two year program providing pre-professional training in a comprehensive program that uniquely combines a critical study of theater with experiential practice in one or more of its component parts. Students explore the various areas of theater to build a foundation for future creative work. The Department of Theater admits new students only once each year for the Fall Quarter.

ABOUT APPLICATIONS

Together, all of the application materials will provide the admissions committee a clear and compelling picture of who you are. The application materials should include your significant life experiences, your most important personal traits and greatest strengths, your special creative talents, your values and goals in life, and your vision for the kind of work you hope to pursue.

An applicant should demonstrate a strong liberal arts and humanistic education, exceptional literacy, outstanding communication skills, and unique creative ability. Prior experience in theater is not required.

WE DO NOT ALLOW SKYPE INTERVIEW/AUDITIONS.

As the number of qualified applicants far exceeds the number who can be accepted, students are encouraged to have alternate plans in the event they are not admitted.

Applicants must submit all required application materials to be considered for admission.
