Theater BA Program

About the Program

For transfers, the Bachelor of Arts in Theater is a two year comprehensive program that uniquely combines a critical study of theater with experiential practice in one or more of its component parts. Students explore the various areas of theater to build a foundation for future creative work. The Department of Theater admits new students only once each year for the Fall Quarter.

About Applications

Together, all of the application materials will provide the admissions committee a clear and compelling picture of who you are. The application materials should include your significant life experiences, your most important personal traits and greatest strengths, your special creative talents, your values and goals in life, and your vision for the kind of work you hope to pursue.

An applicant should demonstrate commitment to a strong liberal arts and humanistic education, exceptional literacy, outstanding communication skills, and unique creative ability. Prior experience in theater is not required.

- Supplemental Materials.

All Supplemental Materials must be uploaded in PDF Format (10MB max), double-spaced, 12-point font, use 8 ½ by 11 page size, and not exceed the indicated page maximum. If you do not follow these guidelines, your application will not be considered.

- Personal Essay (2 page max).
 - The personal essay should include a summary of your background, creative interests, and academic and professional goals. You may discuss important influences in your artistic life, your motivation to study theater, and the kind of creative work you hope to pursue. Your essay should also convey who you are beyond the stage: the experiences, communities, and ideas that shape how you see the world. Use these pages to create a vivid and personal picture of yourself: what matters to you, and where you want to go as an artist and thinker. **Prioritize candor and specificity rather than a polished argument for your own admission.**
- Life Challenge Essay (1-2 pages).
 - Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement? Things to consider: A challenge could be personal, or something you have faced in your community or school. Why was the challenge significant to you? This is a good opportunity to talk about any obstacles you've faced and what you've learned from the experience. Did you have support from someone else or did you handle it alone? If you're currently working your way through a challenge, what are you doing now, and does that affect different aspects of your life? For example, ask yourself, "How has my life changed at home, at my school, with my friends, or with my family?" **Please Note: This question is identical to optional Question #5 on the UC Application. You may submit the same answer as in your UC Application, or you may elaborate on your response.**
- Resume(s).

Please submit at least one of the following resumes:

 - Theater Experience (2 page max).
 - A listing of any courses, workshops, and practical experience in theater, film or television. Include a title and description of these activities, the name of the school or theater, and the appropriate dates.
 - Other Arts Experience (2 page max).
 - A listing of any relevant courses, workshops, awards, internships, and practical experience you have had in other fine arts such as dance, music, and art. Include a title and description of these activities, the name of the venue and the appropriate dates.
- Photo (1 page max).
 - Recent, clear, and close up photo of yourself (Head and shoulders; no full body photos please).
